XM MT4 6.00 can be downloaded from our software library for free. Multiterminal.exe, terminal.exe and terminal64.exe are the most common filenames for this program's installer. The program lies within Business Tools, more precisely Investment-Tools. The current setup file available for download occupies 423 KB on disk.

It offers a great forex trading environment, but one with tools built alongside tools for trading equities, options and other assets. This is a terrific platform for managing forex as part of your investment portfolio, but might not be the best one for dedicated forex trading. Best for Dedicated Forex Trading: Forex.com.
