As before, Small Account Secrets 2021 supports John's goal of generating exponential gains each week. The built-in Net Liquidating Value (NLV) money management system helps him target at least 2.5% to 5% returns each week. That puts his annual goal between 120% and 240% (which John outperformed in 2020 with an extraordinary 340% return).

Binance and Coinbase are two cryptocurrency platforms with very different approaches. Coinbase is a U.S.-based exchange designed for beginners with a simple interface and limited transaction types.

John Carter has been a full-time trader since 1996. In 1999, tired of talking to his goldfish while trading alone in his office, John launched TradetheMarkets.com to post his trading ideas. The company has since evolved into what is now, Simpler Trading. In addition to being an experienced trader, John is also a published author. If you're looking for the best commission-free trading platform in Canada, Wealthsimple Trade allows you to buy and sell stocks, ETFs, and even crypto without paying any fees. There are also no account minimums, annual fees, or inactivity fees. So you can test-drive the platform without getting hit with trading fees for each transaction.
